<b><u>School</u></b>	<b><u>General age limit</u></b>	<b><u>Admitting 16-year-olds on these programmes</u></b>	<b><u>Admitting 17-year-olds on these programmes</u></b>	<b><u>Criteria for admission under the age of 18</u></b>
Fredrikstad Folk High School, Haugetun	18 years old	Exceptions can be made	Exceptions can be made	<p>In special cases, exceptions may be considered in dialogue with parents and applicants. Here emphasis will be placed on available school capacity, the time the applicant turns 18, assessment of suitability and prerequisites to be able to follow the programme academically. In addition, an assessment is made of the applicant's presumed ability to live in a boarding school. The applicant's motivation for the programme and the school's educational and social program is important. Prerequisites for active participation (physical and mental) in the programme's activities and in the school's other teaching programmes. Relevant background/experience where specified in the programme description (not a requirement for all programmes). Absence and completion history from previous schooling can be included in the assessment.</p>

Solbakken Folk High School	18 years old	We can be open to this on all programmes, but then there must be conversations and good mapping of the student first.	We can be open to this on all programmes, but then there must be conversations and good mapping of the student first.	We are concerned that the students take an active part in the teaching and the community. We see that folk high school can be important to start a little over and get a new chance, but previous absences and grades in order and behaviour are important anyway. Independence and responsibility for one's own learning are strongly emphasized.
